

Help us write our little book of adventures!

The summer holidays are nearly here and we want to know what adventures you are most looking forward to. Whether it's swimming like a mermaid at the pool, shopping for books and toys here at Idlewells Shopping Centre, or exploring with your family, tell us what you want to do here...

Lined writing area for the adventure story.

We will choose the best stories to feature in 'Our little book of adventures' which will be available for sale at the end of summer.
